HOT Sheet

Hot WEB SITE

Forget hotels! Zonder makes it easy to find a vacation rental with all the amenities of home (and then some), no matter where you travel! Want a hot tub, barbecue and Internet access? No problem! Just use the site's enhanced search engine to make sure the condo or home has what you need. There's also a detailed regional map function so you can pick out exactly where you want to be. Need more incentive? Zonder offers nearly 10,000 properties with last-minute discounts of up to 30 percent. So get booking! zonder.com

Hot SNEAKERS

One of the ways **Vanessa Minnillo** stays in great shape is by wearing Reebok's new EasyTone footwear. The sneaker collection uses innovative balance-pod technology — which was created by a former NASA engineer — to engage the glutes and leg muscles, so you get extra toning benefits simply by walking. Here, Vanessa opts for the Inspire shoe; six other styles are also available. \$60–110, reebok.com

Pick Of The Week!

Hot PHONES

Lucky **Chloë Sevigny**! She got her hands on one of the latest BlackBerrys — the Tour 9630. The PDA (exclusive to Verizon and Sprint) features a 3.2 megapixel camera and a high-definition screen. However, it's a splurge at \$200 (with contract, after rebate). For a reasonably priced alternative, check out the brand-new Curve 8520 (pictured).

This model, which is exclusive to T-Mobile, is available at Walmart

stores for only \$49 (with contract) — plus it has an optical trackpad and new music and video controls. blackberry.com

Hot BURGER

STK steakhouse is introducing gourmet sliders! The delicious menu item features two wagyu beef burgers topped with melted goat cheese, pickles made in house and special sauce on toasted sesame buns. Opt to top it off with black truffles or foie gras. Reps say **Jamie-Lynn Sigler** is a fan. Starting at \$20, stkhouse.com

Hot REMEDIES

Be stylishly prepared in case of emergencies with new Help products. The brand packages remedies for six different ailments, including headaches, sleeplessness, cuts, aches and allergies. For example, the "Help I Have a Blister" tin holds eight supereffective hydrocolloid bandages in various sizes. The products can be found on Virgin America Airlines flights, in trendy hotels and at drugstore.com for \$4 each. ★
